ACKNOWLEDGEMENT

The satisfaction and euphoria that accompany the successful completion of any work would be incomplete without a mention of the people who made it possible, whose constant guidance and encouragement served as beacon light and crowned our effort with success.

We are honoured to extend our heartfelt gratitude to the Management of “Govinda Dasa College”.

Sincere thanks to **H.O.D Mrs. Geetha K, Department of BCA and our project guide Mrs. Shailaja H department of BCA**, Govinda Dasa College, Surathkal, Mangalore without whom this project has been impossible.

Thanks to Mangalore University for giving us an opportunity to take up this project as the knowledge gained by working on the project is very valuable.

We are also grateful to the principal of a college **Prof. P. Krishnamoorthy** for allowing us to do the project in this institution.

This project is a team effort. The success of this project we believe is due to the team organization, coordination and understanding. The credit for the success of this project goes to the team as whole.

We would be failing in our duty if we do not thank our parents, lecturers, friends and almighty on which we all relied on, for help and encouragement throughout our BCA course and especially during our project work.

Thanking you all,

Yours faithfully,

DARSHAN R K (U05GD21S0015)
